Importance: High

Hi all,

Please find attached a final draft that includes clarifying language about no contact with DPH and Hinton Lab employees and also deletes the Sandi Akers text (which I must have picked up from other letterhead). Cindy, please insert my signature to this letter and return as a PDF to everyone on this email - if you need the signature, Bill Anderson has it bc he uses it for hospital documents.

Linda will deliver this letter to Annie tomorrow afternoon and also make sure that Annie has Bruce Cedar's contact info and that Bruce knows the latest about this personnel matter.

Thanks,
Monica
